REFERRING FRIENDS IS OH SO EASY

Make other people's shopping experience a little more unique by giving them a personalized URL!

When PC members discover how LifeWave's products can boost their daily power, their followers will want to know their secret.

PC Members can send them to a personalized URL so their friends can see for themselves how LifeWave has the products and opportunities they'll love!

SHARING FAVORITES IS SIMPLE

One of the many benefits Preferred Customers get when they place a Monthly Subscription Order is a virtual shopping cart builder. With a pre-populated cart link, PCs can share their favorite products in a simple link for others to purchase from. All they need to do is click to check out. It's that simple!

HERE'S HOW IT WORKS

STEP 1

Once a Preferred Customer signs up, they log in to their LifeWave account.

STEP 2

In the Account Settings menu, click on "Pre-Populated Cart Builder."

STEP 3

They click on "ADD NEW PRE-POPULATED CART."

STEP 4

They name the cart and select a country, then click "ADD."

They can then select the products they want to add to this virtual shopping cart by clicking on the pencil icon to the right of the product name in either the "Regular Order Item" menu or the "Autoship Items" menu. They then select the quantity on the next screen and save changes.

STEP 5

When all recommended products have been added to their pre-populated cart, they click on "Go back to pre-populated cart builder" and click the link icon in the "Go to link" column by the name of the cart that has been built. This will display the cart contents.

STEP 6

SHARE! PC Members can copy the link and share via email, social media, etc., or wherever they want to share the benefits of LifeWave products, making it that much easier for their friends and followers to discover a better life with LifeWave's broad line of products.

LifeWave Preferred Customer Program FAQs

Q1. IN WHAT COUNTRIES IS THE PREFERRED CUSTOMER PROGRAM AVAILABLE?

A1. The Preferred Customer Program is available in all our markets, except Japan and Korea.

Q2. WHAT IS THE DIFFERENCE BETWEEN THE PC AND THE PC+ PROGRAM?

A2. In addition to all the benefits available with the PC Program, for \$25/€25 USD annually PC+ Members receive additional benefits, including access to free product credits through the Share Program and free monthly product samples.

Q3. WHAT IF A PC MEMBER WANTS TO UPGRADE TO THE PC+ PROGRAM?

A3. Once a Preferred Customer completes a Monthly Subscription Order, they will be given the opportunity to upgrade to Preferred Customer Plus for \$25/€25 annually. They simply need to add a new product to their cart and they will be asked upon checkout if they want to upgrade. Once they choose that option, they will be upgraded to the Preferred Customer Plus program.

Q4. WHAT IF A PREFERRED CUSTOMER CANCELS THEIR MONTHLY SUBSCRIPTION ORDER?

A4. They will no longer be able to receive PC benefits but can still purchase LifeWave products at retail pricing.

Q5. WHAT MONTHLY SUBSCRIPTION ORDER (MSO) SCHEDULE IS NEEDED TO STAY QUALIFIED FOR THE FULL BENEFIT OF THE LOYALTY REWARDS?

A5. A customer's first MSO will count as their first order, but it is the successive MSOs received that will count towards their Loyalty Samples. For example, if a customer places an initial MSO, and then has two successful MSOs processed after that without missing or skipping a month, their LifeWave free product is unlocked and will be added to their next (i.e., 4th) MSO shipment.

Q6. CAN A PREFERRED CUSTOMER MISS OR SKIP ANY MONTHS IN A YEAR AND RETAIN THEIR LOYALTY REWARDS?

A6. Customers can cancel or skip two months of their MSO in a rolling 12-month period and still retain their Loyalty Reward benefits. The 12-month period begins when the first qualifying order is created. If a customer skips three months or more in a 12-month period, the order count will reset to zero and the customer must restart the process. Each reward sample is received only once during the year, so previously received samples will not be resent.

Q7. WHAT MAKES A QUALIFYING ORDER FOR PURPOSES OF THE LOYALTY SAMPLES?

A7. For an MSO order to count towards the earning of loyalty samples, it must contain products that carry some Business Volume (BV).
