## FREQUENTLY ASKED QUESTIONS

ENR SPARK

ENGLISH

LIFEWAVE®

# PRODUCT INFORMATION

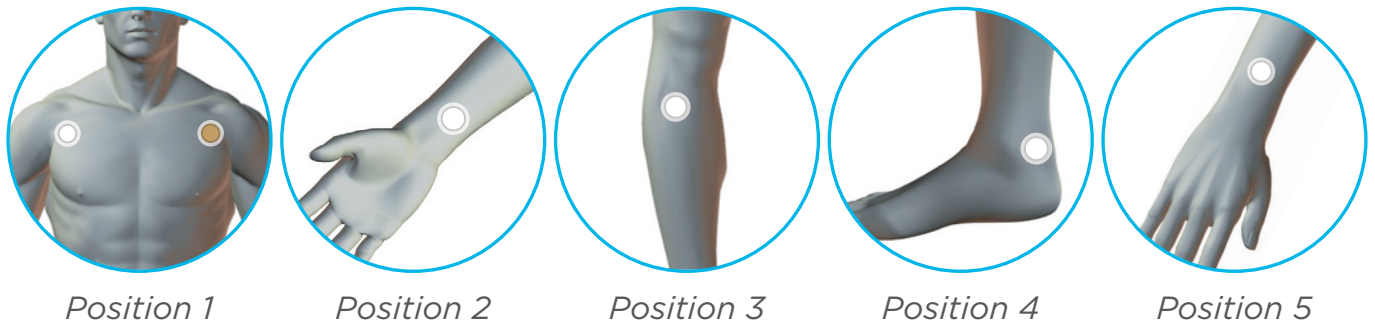

---

## WHAT IS THE NAME OF THE PRODUCT(S)?

ENR Spark.

## WHAT ARE ENR SPARK'S INSTRUCTIONS FOR USE?

Place one set of ENR Spark patches on the body, using one of the locations shown. Always place the WHITE patch on the RIGHT side of the body, and the TAN patch on the LEFT side of the body. Apply the patch to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

## HOW QUICKLY DO PEOPLE EXPERIENCE ENR SPARK'S BENEFITS?

The speed with which different people will experience the wellness benefits of ENR Spark can vary significantly due to fact that everyone is unique. Thus, results will vary.

Many individuals experience rapid and noticeable wellness benefits using ENR Spark. Some even report feeling these benefits from the very first day of use!

Some individuals may require a longer period to experience the full wellness benefits of ENR Spark. With our 30-Day Money Back Guarantee, everyone can explore and experience the powerful and diverse benefits of ENR Spark risk-free.

## WOULD YOU RECOMMEND USING ENR SPARK ALONE OR AS PART OF A PATCH PROTOCOL?

We recommend using one set of ENR Spark at a time. For use with ENR Spark patches, you can typically combine them with other LifeWave patches, such as Y-Age Aeon, Y-Age Advance or Y-Age Renew.

# PRODUCT INFORMATION

---

## **CAN ENR SPARK PATCHES BE USED BY CHILDREN AND/OR PREGNANT WOMEN?**

We do not recommend that the patches be used by anyone under 18 years old, or by anyone who is pregnant and/or breastfeeding.

## **WHAT ARE THE PRECAUTIONS FOR ENR SPARK?**

Remove immediately if you feel discomfort or if skin irritation occurs. Do not reuse patch once removed from skin. For external use only. Do not ingest. Do not place on broken skin. Ask a health professional before using if you have a health condition or any questions or concerns about your health. Do not use if pregnant or nursing.

## **HOW SHOULD ENR SPARK BE STORED?**

Store in a cool, dark place, out of direct sunlight. Product should not be exposed to temperatures greater than 104°F and should be stored at room temperature.

## **HOW SHOULD ENR SPARK BE DISPOSED OF?**

Remove patch and dispose of it and the packaging in general waste.

## **WHAT IS THE SHELF LIFE OF THE PATCHES?**

The shelf life for ENR Spark is 24 months.

## **CAN I MAKE MEDICAL CLAIMS ABOUT THE PATCHES?**

Our patches are not designed to treat specific conditions/diseases, nor do we create patch protocols designed to treat any specific condition/disease.
