

LIFEWAVE®

INSTRUCTION FOR USE

# LIFEWAVE X39®

## INSTRUCTIONS FOR USE

Place one LifeWave X39 patch on the body, using one of the locations shown on page 3.

Apply the patch to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

## INSTRUCTIONS FOR USE

Place one white and one tan patch on the body, using one of the locations shown on page 5. Apply the patches to clean, dry, undamaged skin.

Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product. Only remove half of the patch backing until an effective placement site has been located.

If the desired effect is not achieved in 10 seconds, move to the next location.

## THE CLOCK / CROSS METHOD

The Clock/Cross Method was developed to provide fast and effective results. Move through the locations shown in Fig. 1.0 to 1.6 until the desired effect is achieved.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

This can be used on any area of the body. For specific patch protocols, please visit [www.lifewave.com](http://www.lifewave.com).

# SP6 COMPLETE®

## INSTRUCTIONS FOR USE

Place one SP6 Complete patch on the body, using any of the recommended locations shown on page 7. For optimal results, rotate the patch between the placements provided.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product. Do not use more than one SP6 Complete patch at a time on the body.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

## INSTRUCTIONS FOR USE

Rotate through these point locations, using an Aeon patch 5 to 7 days per week. You can use any of the recommended Y-Age point locations, but the preferred Aeon locations are shown on page 9.

When combining Y-Age products, use any 2 patches on any 2 of the Y-Age point locations in this booklet, applying the patches on either the midline or right side of the body.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

# Y-AGE® CARNOSINE

## INSTRUCTIONS FOR USE

Rotate through these point locations, using a Carnosine patch 1 to 3 days per week. You can use any of the recommended Y-Age point locations, but the preferred Carnosine locations are shown on page 11.

When combining Y-Age products, use any 2 patches on any 2 of the Y-Age point locations in this booklet, applying the patches on either the midline or right side of the body.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

# Y-AGE® GLUTATHIONE

## INSTRUCTIONS FOR USE

Rotate through these point locations, using a Glutathione patch 5 to 7 days per week. You can use any of the recommended Y-Age point locations, but the preferred Glutathione locations are shown on page 13.

When combining Y-Age products, use any 2 patches on any 2 of the Y-Age point locations in this booklet, applying the patches on either the midline or right side of the body.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

# ENERGY ENHANCER®

## INSTRUCTIONS FOR USE

Place one set of Energy patches on the body, using one of the locations shown on page 15. Always place the WHITE patch on the RIGHT side of the body, the TAN patch on the LEFT side of the body.

Apply the patches to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

# SILENT NIGHTS®

## INSTRUCTIONS FOR USE

Place one Silent Nights patch on the body, using one of the locations shown on page 17.

Apply the patch to clean, dry skin in the evening. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

# LIFEWAVE X49®

## INSTRUCTIONS FOR USE

Place one LifeWave X49 patch on the body, using one of the locations shown on page 19.

Apply the patch to clean, dry skin in the morning. Patches may be worn for up to 12 hours before discarding. Keep well hydrated while using this product.

**Warnings:** Remove immediately if you feel discomfort or skin irritation occurs. Do not reuse patch once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Consult a health professional before using if you have a health condition. Do not use if pregnant or nursing. Not intended for use on children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.

**ALAVIDA REGENERATING SYSTEM CONTAINS\*:**

- 1 bottle - Alavida Revive Eye Cream (0.5 FL. OZ./15mL e)
- 1 bottle - Alavida Daily Refresh Facial Nectar (1 FL. OZ./30mL e)
- 1 bottle - Alavida Nightly Restore Facial Crème (1.7 FL. OZ./50mL e)
