

## LifeWave AcuLife

Healthy living extends beyond humans!

AcuLife embraces the same LifeWave innovations to support equine vitality. Engaging Eastern philosophy of acupressure and acupuncture points for your horse.

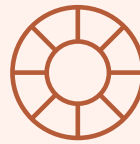

- Promotes a soothing effect
- Helps maintain normal flexibility
- May help reduce discomfort

Contains 30 Patches

NO DRUGS OR  
STIMULANTS

PATENTED  
TECHNOLOGY

### What Is Phototherapy?

The science of phototherapy, which has been around for about 100 years, uses light to improve the health of the body. As far back as two thousand years ago, the ancient Greeks had a center for studying the effects of different colored lights on the body. Even the ancient Egyptians, who promoted health by focusing sunlight through colored glass on certain areas of the body, understood this concept.

### How Our Patches Work

The horse's body emits heat, including heat in the infrared spectrum. Our patches are designed to trap this infrared energy when placed on the body, which causes them to reflect it back on the skin that can promote a general state of health and healthy activity unique to each LifeWave patch.

### What makes one LifeWave patch different than another?

Each patch is exclusively designed to reflect particular wavelengths of energy to specific points on the skin. This enables each patch to provide unique wellness benefits to the user.

### INSTRUCTIONS

Place one set of AcuLife patches on the horse's body. Always place the WHITE patch on the RIGHT side of the body, and the TAN patch on the LEFT side of the body.

There are five recommended AcuLife patch placements. Each placement can be used individually; see AcuLife Instructions for Use for specific instructions.

### WARNINGS

Remove immediately if you feel that the horse is experiencing discomfort or skin irritation occurs. Do not reuse patches once removed from the skin. For external use only. Do not ingest. Do not use on wounds or damaged skin. Do not use if you suspect the mare may be pregnant. Consult a veterinarian if you suspect the horse has a health condition. Keep this product out of the reach of children. Do not apply/use patches other than as directed. Store in a cool, dark place, out of direct sunlight.
